MEMORANDUM FOR: Chief, Classification Review Division, OIS

ATTENTION:

FROM:

Assistant General Counsel

SUBJECT: Declassification of Documents Involving
IBM and RCA

You have asked whether you can initiate normal declassification review of subject documents in view of the ongoing litigation. We have contacted Mr. Charles R. Esherick, the Department of Justice attorney handling the case, who has advised that he has no objection to declassification review of the documents. He emphasized, however, that all the documents must still be retained pending final resolution of the case or a court order permitting destruction.
